

District 6 Fact Sheet

Serving Fresno, Kern, Kings, Madera and Tulare Counties

State Route 180 West

180 West Freeway Segment One

Fresno County

Project Purpose:

The project on State Route 180 as completed will provide an improved primary east-west route between the City of Fresno and rural communities to the west of Fresno. This project will also reduce traffic congestion on city streets, improve travel times and increase safety for motorists.

Description:

The project continues State Route 180 westward from the State Route 180/State Route 99 Interchange. The route continues as a six-lane freeway from State Route 99 to Teilman Avenue where it then becomes a four-lane expressway. At the Hughes-West Diagonal the four-lane expressway ends with an at-grade intersection. A traffic undercrossing was constructed at Teilman Avenue.

Construction Cost:

\$30 million

Funding Sources:

Primary Funding Federal and State Gas Tax money (STIP) supplemented with "Measure C" sales tax.

Agency Responsibilities:

Caltrans: Planning, Construction Management, Design, Right-of-Way acquisition.
Fresno County Transportation Authority (FCTA): Design, Right-of-Way acquisition

Construction:

Began November 2001
Completed January 2004
